St. Francis Xavier arrived in Japan in 1549, during the 16th century, marking the beginning of Christianity's introduction to the nation. After 16 years, initially found success, the faith faced severe persecution in the 17th century, particularly following the Shimabara Rebellion of 1637-1638. The Tokugawa shogunate enacted strict policies against Christianity, forcing many believers to practice their faith in secret as "hidden Christians".
