Therapeutic Use of Play for Parents

27 APRIL 2024 | 10AM - 12.30PM | API ROOM (APC)

Play is not a luxury but rather a necessity for children. Children learn to be more creative and resilient when their parents are involved in their play, talking and listening to them. In this workshop, let us explore the therapeutic benefits of play and learn to engage with children creatively, meaningfully to enable healthy parental bonding and making them feel loved and accepted with unconditional positive regards.
