Conversation On:
Blessed Boundaries: Bringing Order and Peace to Family Life

Let us explore how loving limits can create safety, freedom, and deeper connection in today's Catholic homes. We will unpack how boundaries and discipline shape a child's emotional world, especially in the face of trauma, multicultural realities, and complex relationship dynamics. We will also ground the conversation in Scripture and Catholic tradition, reflecting on how God's own covenant love models firm yet merciful boundaries. Let us move beyond fear-based or permissive approaches into a more integrated vision of discipline as discipleship—where order in the home serves the greater peace and holiness of the whole family.

All are welcomed.
