eCOLOGY

As Families in our own BEC we can start with baby steps

- NOT BUYING MINERAL WATER SINGLE USE PLASTIC BOTTLES,** take our own water bottles from home.  Small choices, BIG impact!
- MAKE SURE WE HAVE SHOPPING BAGS KEPT IN OUR CAR** so we don't bring home plastic bags from the shop. 
- TAKE OUR OWN CONTAINERS FROM HOME** when we want to bungkus food from the restaurants. 
- RECYCLING BASKETS AT OUR OWN HOMES,** let the children learn to differentiate the types of materials and recycle. The dustbin lorries will take and sell it. Let them earn and we recycle. 
- VEGE AND FRUIT PEELS AND EGG SHELLS** instead of throwing, put them into containers with water, leave it a week where they will disintegrate after a week, dilute the fermented water with more water and pour it for your plants. They love it and grow so well. Been doing it for years. Try it out. 

Many more ideas we can do as Families. Teach our children, make it a family project dear BEC, our children will follow and carry this to their adulthood.

Let us as a BEC take these small baby steps and look after our Mother Earth for our generations to come.

Let's DO it!

THINK GREEN ACT NOW SUSTAIN OUR FUTURE TOGETHER, WE CAN! EVERY SMALL ACTION COUNTS. TOGETHER, WE MAKE A BIG DIFFERENCE.
