XAVIER HALL INSTITUTE PROJECT

Shape the Future of Xavier Hall!

Dear Parishioners,

While many of us are familiar with Xavier Hall, located just across the field from our church, it's not common knowledge that it's currently under the care of the Jesuits. We're excited to share with you that we're in talks to make Xavier Hall a part of our SFX community for years to come — possibly up to 12!

This is a unique opportunity to shape a space that can serve our parish for a long time. To kickstart this project, we've formed a special committee to explore how best to utilise Xavier Hall, and we need your help.

We would like to hear your ideas, your dreams, your vision for how this space can enhance our SFX community. Whether it's creating a co-working space, café, learning hub, an open space for gatherings or serving others, your input is invaluable.

As we reimagine Xavier Hall, let us be guided by the Universal Apostolic Preferences, seeking to create a space that fosters:

- A deeper encounter with Jesus Christ
- Accompaniment of young people
- Walking together with the excluded
- Promoting care for our common home

Share Your Vision:
