**MONTHLY FOCUS:
SYNOD 2021 - 2023**

**FOCUS EVENT:
CHURCH AND SYNODALITY**

DIOCESE OF MELAKA JOHOR

Pre-synodal Synthesis

1. What is the Spirit saying to the parishes, diocese and the Church? + the kingdom of God being built alive, growing, producing fruits. + Our Communion keeps Jesus alive in faith, lives, words and witnessing.
2. The Challenges faced + bringing the various language groups in the parishes closer as one. + Politicking, favouritism, impure motives, fear of rejection, a reluctance to serve, stifles growth and promotes abuses against people.
3. The invitation of the Holy Spirit + adaptability and flexibility in our response according to times and needs. + prudent use of social media in reaching the young. + openness to feedback and fraternal correction to move forward. + to become authentic ministers and People of God.
4. The needed conversions? + from complacent and comfort seeking attitudes, + to encourage equality and justice. + change of mindset and cultures that hinders growth. + openness to those with differing moral preferences + to heed feedbacks + quality homilies. + home visits and pastoral care. + too much emphasis to race and language groups. + from being materialistic and money minded. + need for direction.
5. New focuses and attention needed + strengthen faith of Catholic party in interfaith marriages. + promote long term commitment. + BECs need new direction + Review of rural parishes with smaller numbers. + involving young people in planning for the future.
